Room and Media Equipment Request for Off-Campus Sites for Western Carolina University:

NOTE: The Educational Outreach and Distance Education office requests room and equipment usage at the various off-campus sites. Every effort will be made to fulfill your request but availability of computer labs and particular equipment may be limited. If your request cannot be met, you will be notified. Return this form to Educational Outreach, fax # 828-227-7115, email (distance@email.wcu.edu), 138 Cordelia Camp Building, Cullowhee, NC 28723

☐ I have no special room or equipment requests for this course. (Proceed to signature.)

☐ My requests for this off-campus course are indicated below.

1. Special equipment needed: (for example, an art class may require tables, access to water, etc.)

_______________________________________________________________________________________________________________________________

_________________________________________________________________________________________________________________________________

2. Audio/Visual Equipment: Please list any equipment needed (TV/VCR, Overhead projector, etc.)

________________________________________________________________________________________________________

________________________________________________________________________________________________________

3. Computer Lab: If you plan on using a computer lab at any point during the semester, please indicate below. Lab availability is limited at most sites and requests must be made early.

_____ I need a lab for every class meeting.

_____ I only need a computer lab for the class meetings listed below:

Dates: __________________________________________

4. Software: Please indicate the software needed for your class. (Please keep in mind that software usually needs to be installed or downloaded by the IT department at the off-campus site AFTER a request from the IT department at WCU. Advance notice is required.
